

Essential oils were considered the first ever medicine and have been used around the world for centuries. Essential oils and other aromatics have been used in religious rituals to help relieve various health, physical, and spiritual needs.

Essential oils can be inhaled or applied on the skin, as an alternative approach for infections, stress, and other health concerns. Essential oils have many uses including being added to a bath, diffuser, candles, perfumes, shampoo, soap, cleaning products, lotions, incense, etc. Select which oil will help aid you through your day.

Aiyana – Uplifting Confidence Well-Being Bergamot’s aroma is sweet, fresh and citrus-like and is good for building confidence and enhancing mood. Bergamot has uplifting and relaxing properties and has a history of being used for oily and troubled skin. Aiyana’s pure essential oil comes from the Citrus Bergamia plant in Italy and has been steam distilled.
