

Pedicure/Manicure Procedure

This is a 40-60 min. service with a MSRP of \$35-65 for pedicure and \$20-45 for manicure, the cost to you is about \$3 for pedicure and under \$2 for manicure

Ojaván Products offers a customized pedicure experience that is heavenly for your feet. From the Aromatherapy bath salts specifically chosen for you to the polish on your toes, you will feel pampered as you never have before.

1. Ojaván offers 7 Aromatherapy Bath salts, which originate when the healing waters of the Great Salt Lake, America's Dead Sea, evaporate and form billions of salt crystals. Each salt crystal contains over 70 trace minerals and elements essential to healthy skin and moisture balance. Guests select which aroma and crystal combination best stimulates their day, add to warm water and place the crystal in the client's hand for holistic healing.

Mápiya - Scented with lavender balanced with quartz crystal

Relaxing Calming Aids Sleep

Mápiya's lavender aroma is soothing and refreshing. It can assist the body when adapting to stress. It is great for relaxing and aiding sleep yet has balancing properties that can boost stamina and energy. Quartz crystal is known as an energizer and amplifier. It helps with relaxation and has cleansing and revitalizing properties. It is believed to protect against negativity and relieve pain.

Elő - Scented with our uplifting blend balanced with amethyst

Rejuvenating Protective Relieving

The fusion of bergamot, orange, lemon and ylang ylang fragrance create a calming and relaxing effect on the body and mind. Elő is good for building confidence and enhancing mood. Amethyst is a powerful and protective crystal. A natural stress reliever, amethyst encourages and supports inner strength.

Kēnda - Scented with our citrus blend balanced with citrine

Energy Creativity Happiness

Kēnda has a strong, purifying, citrus scent that is revitalizing and uplifting. The fusion of pink grapefruit, lemon, lime, litsea, mandarin and sweet orange helps to improve concentration and bring a sense of well-being, joy and creativity. Citrine increases intellectual energy, creativity and joy and is excellent for attaining goals. It is used to enhance optimism and bring a more positive outlook to the conscious and subconscious mind. It also helps to improve concentration.

Aiyaná - Scented with bergamot balanced with rose quartz

Uplifting Confidence Well-Being

Aiyaná's bergamot aroma has a sweet, fresh, citrus scent. It is good for building confidence and enhancing mood. Bergamot has uplifting and relaxing properties and has a history of being used for oily and troubled skin. Rose quartz soothes the heart, opens the heart to love and heals emotional wounds. It is also known as the romance stone. Rose quartz has uplifting qualities and brings confidence and a state of well-being.

Otekah - Scented with eucalyptus balanced with smoky quartz

Balance Fortifies Soothing

Otekah's eucalyptus aroma is fresh and invigorating. It has a calming effect and its rejuvenating properties can help rid mental fatigue and muscle pain. Eucalyptus can provide relief from sinus infections, flu, common cold, blocked nose and other respiratory ailments. Smoky quartz assists in everyday life and helps to change negative energy into positive energy. It aids with communication and enhances creativity helping you obtain your goals and dreams.

Soyala - Scented with peppermint balanced with celestite

Concentration Harmony Balance

Soyala's peppermint aroma is fresh and invigorating. It has a peaceful effect and its rejuvenating properties can help rid mental fatigue, stress, and anxiety. Peppermint can provide relief from the common cold, congestion, and to reduce pain. Celestite brings mental calm and clarity in the midst of chaotic times. Celestite can allow you to flow through a traumatic period and still come out on top.

Leotie - Natural scented balanced with black tourmaline

Cleansing Comfort Revitalizing

100% nature's natural aroma for those who like it organic – no scent! Black tourmaline is one of the most popular crystals used for spiritual purposes. These crystals help alleviate negative thoughts, worry, anxiety, anger and ideas of unworthiness. Black tourmaline is very powerful and provides energy needed during challenging times.

2. After soaking in your Aromatherapy Bath Salts, clean nail beds and cuticles as needed. Now the skin is ready for a rejuvenating Mineral Mud Mask. Our Npató Mineral Mud Mask is applied and wrapped with moist hot towels. Npató Mineral Mud Mask helps detoxify and cleanse the skin of all harmful substances replenishing the skin with over 70 trace minerals & elements that feed your skin. Ojaván Products are free from toxins & pollutants, just as nature intended. Care for the nails and cuticles while the mask detoxifies the skin, about 5-10 min. Wipe mask off with towels and warm water.
3. Once Npató Mineral Mud Mask is fully removed, apply Maka Ashih Mineral Salt Scrub. This natural fusion of Great Salt Lake Mineral water, Salts, and shoreline Mud creates an amazing exfoliant. Rub in a circular motion. The peppermint pure unadulterated essential oil in the Maka Ashih scrub provides relief from stress and mental exhaustion due to its refreshing nature. It gives a cooling effect the skin while nourishing dull skin and helps improve oily skin. Remove with warm water. Use a pumice stone if needed for excess dry skin. Pat dry.
4. Use Pamea Poan Hand & Body Cream for an amazing massage. With a euphoric balance of Organic Herbs, Vitamins, and Concentrated Mineral Water from the Great Salt Lake, we have created a fabulous moisturizing cream. Pamea Poan leaves your skin feeling soft, and supple with radiant moisture. Your skin deserves to look and feel beautiful, Pamea Poan does this; no oils, no chemicals, only nature's best - that's good for your skin. Pamea Poan, Body & Hand Cream is 80% certified organic and 100% natural. After an amazing massage, finish nails with desired polish. Relax and let nails dry.
