

Ojaván Products

Ojaván Mineral Mud treatments feed your skin the essential minerals it needs to maintain its moisture levels and elasticity. The deep green colored, 250 Million year old mud is harvested from remote locations along the shore of the Great Salt Lake and is naturally enticing in texture and character. With frequent use Ojaván Products will help maintain beautiful, radiant and youthful skin.

Mineral Mud Face & Body Mask

Product name: **Npató**

Pronounced: An-pat-oo

Meaning: Radiant (Sioux)

Benefits: Ojaván Mineral Mud is created as the healing waters of the Great Salt Lake, America's Dead Sea, expand and evaporate allowing the minerals and salt to be absorbed into the mud below. This natural fusion of Great Salt Lake water and shoreline mud contains over 70 trace minerals and elements essential to healthy skin and is composed of non-soluble clays, carbonates, sulfides and organic compounds. The mineral mud is hand-harvested and then infused with concentrated Great Salt Lake mineral water that natural processes have aged to perfection over crystal beds.

Mineral Mud Salt Scrub

Product name: **Maka Ashih**

Pronounced: Ma-kaa Ah-she

Meaning: Earth, Salt (Sioux, Navajo)

Benefits: Ojaván Mineral Mud Salt Scrub combines the healing powers of both the Great Salt Lake Salt and Mud creating an amazing exfoliant. For centuries salts have been used to remove toxins from the body. This natural fusion of Great Salt Lake Mineral water, Salts, and shoreline Mud contains over 70 trace minerals and elements essential to healthy skin. Use Maka Ashih in your shower daily for all those rough areas – hands, feet, elbows, knees. For a really deep clean and exfoliation. With frequent use Ojaván Products will help maintain beautiful, radiant and youthful skin.

Scent: **Peppermint** - peppermint is able to provide relief from stress, depression and mental exhaustion due to its refreshing nature. It is also effective against anxiety and restlessness. It gives a cooling effect to the skin while nourishing dull skin and helps improve oily skin.

Bath Salts

Ojaván bath salts originate when the healing waters of the Great Salt Lake, America's Dead Sea evaporate forming billions of salt crystals. Over 250 Million years old this salt has been named white gold as it has accumulated an eternity of sunlight and natural energy. Each salt crystal contains over 70 trace minerals and elements essential to healthy skin and moisture balance. Ojaván bath salts are pure and unprocessed.

For centuries salts have been used to remove toxins from the body. By adding Ojaván bath salts to your bath you revitalize the body and mind by hydrating and detoxifying, soothing skin conditions and strengthening the immune system.

Ojaván bath salts are subtly scented with essential oils and are available in seven unique aromas each with individual therapeutic properties. Each jar is then carefully paired with a hand-selected crystal to stimulate and compliment your Ojaván experience. Carry these crystals with you to benefit from their individual properties all day long.

Product name: **Aiyaná**
Pronounced: Ah-ee-ya-nah
Meaning: Forever Flowering (Kiswahili)
Benefits: Uplifting, Confidence, Well-being
Scent: **Bergamot** – This light, fruity citrus oil is uplifting, antiseptic, and relaxing. Uplifts the spirit and emotions with its fresh and invigorating citrus fragrance. Useful for oily and blemished skin.

Crystal: This pink colored crystal is used for healing the heart and is nature's remedy for treating issues that need emotional healing. **Rose quartz** carries a very gentle and soothing energy and brings comfort to those whose heart has been wounded. Rose quartz teaches that the source of love comes from within and from that source of infinite love. Any wound, no matter how deep or painful, can be healed. Carry this stone to heal but also to uplift, bring confidence and a state of well-being into your life. Rose Quartz is the stone of unconditional love. Rose Quartz opens the heart to all types of love: love of self, love of family, love of friends, and romantic love. Because it is quartz, Rose Quartz does have a high energy, but its side is also calming and soothing. Rose Quartz eases guilt and balances emotions, lowering stress, and bringing peace. Use Rose Quartz to enhance positive self-affirmations.

The soothing energy of Rose Quartz fosters empathy, reconciliation, and forgiveness of others. Known as a romance stone, Rose Quartz can be used to attract love. Put a piece of Rose Quartz by your bedside table to attract new love or to add trust and recommitment to existing relationships. Rose Quartz adds loving energy to relationships, bringing calm and peace. The comforting and soothing energy of Rose Quartz can also release of pent-up emotions and grief.

Product name: **Eiō**
Pronounced: Eeh-loo
Meaning: Beautiful (Zuni)
Benefits: Rejuvenating, Protective, Relieving
Scent: **Uplifting Blend** of bergamot, orange, lemon and ylang ylang
Bergamot – This light, fruity citrus oil is uplifting, antiseptic, and relaxing. Uplifts the spirit and emotions with its fresh and invigorating citrus fragrance. Useful for oily and blemished skin.
Orange – This essential oil is used in aromatherapy to create the feeling of happiness and warmth, while calming nervous digestive problems. It deals very well with colds and flu, eliminates toxins and stimulates the lymphatic system, while supporting collagen formation in the skin.
Lemon – Lemon essential oil has a fresh, citrus scent that is revitalizing and uplifting. It has antibacterial and tonic properties, making it useful for relief of cold symptoms. It cleanses, refreshes, cools and stimulates. Astringent and antiseptic oil. Useful for oily skin.
Ylang Ylang – With an intensely sweet, floral scent, this exotic oil lifts the spirits, promotes relaxation and has been used for its sensual properties. Soothing and relaxing during times of tension and stress.

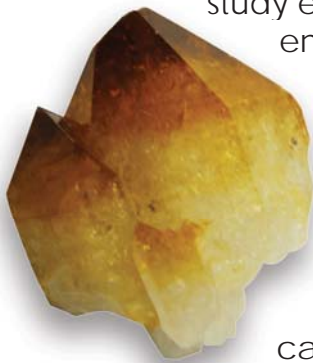

Crystal:

Amethyst belongs to the quartz family and color varies from a deep violet to lavender to almost clear in some instances. This crystal is the most recommended stone to use to bring relief from stress. Amethyst soothes the nervous system and helps you feel more in control with memory and motivation skills improving. Wear amethyst when sleeping to reduce nightmares or, when awake, to reduce anger and impatience. Amethyst is a powerful and protective crystal, and is a first choice of many metaphysicians. Amethyst was used in ancient times to recover from both physical addictions as well as addictive relationships, and became known as the "stone of sobriety". A natural stress reliever, Amethyst encourages and supports inner strength. The strong healing energy of Amethyst can transmute lower vibrations to higher frequencies, transforming negative energy to love energy. Amethyst connects the physical plane with the higher realm, making it a good choice when working with the Third Eye Chakra. Amethyst also provides a wonderful peaceful energy for meditations, and helps with developing intuition and psychic abilities. Amethyst opens and activates the Crown Chakra, allowing easier access to the divine. Amethyst enhances spiritual awareness and spiritual wisdom, promoting a higher state of consciousness. Amethyst clears and repairs holes in the aura and draws in Divine energy, as well as aligning and fostering cooperation between the energy bodies.

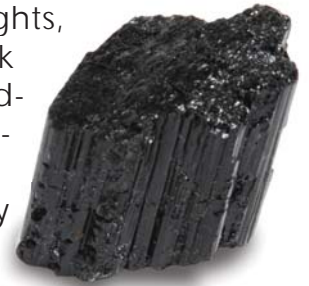

Product name: **Kēnda**
Pronounced: Ken-daa
Meaning: Magical Powers (Dakota)
Benefits: Energy, Creativity, Happiness
Scent: **Citrus Blend** of pink grapefruit, lemon, lime, litsea, mandarin and sweet orange
Pink Grapefruit – This essential oil, with a fresh, citrus smell is energizing and helps to elevate the spirits. It also has antiseptic properties. Grapefruit essential oil has a lovely fresh aroma which can help with nervous exhaustion. It relieves congested and oily skin, having a toning effect on both skin and tissues. For this reason it is a good oil to use when treating cellulite.
Lemon – Lemon essential oil has a fresh, citrus scent that is revitalizing and uplifting. It has antibacterial and tonic properties, making it useful for relief of cold symptoms. It cleanses, refreshes, cools and stimulates. Astringent and antiseptic oil. Useful for oily skin. Our lemon pure essential oil comes from the Citrus Limonum plant in Argentina and has been cold pressed.
Lime – An uplifting, energizing oil with a sweet fragrance. Uplifts and restores vigor.
Litsea – Litsea essential oil is used in aromatherapy to treat many skin-related conditions such as dermatitis, spots and acne; it is found in many skin care lotions and ointments. Litsea has been used in the treatment of stress, high blood pressure and post natal depression.
Mandarin – Fruity, tangy and citrus with a gentle cheering effect. Also has a soothing effect upon the digestive system.
Sweet Orange – With a rich, fresh citrus scent, orange essential oil lifts the spirits yet is calming to the nerves.

Crystal: **Citrine** is actually burnt amethyst, the yellow color coming from the iron within the crystal, and can range in color from a clear yellow to a dark, burnt yellow. Citrine is used to improve mental and emotional clarity and can help with problem solving, memory, willpower, optimism, confidence and self-discipline. An energizing and highly beneficial crystal citrine increases motivation, promotes physical activity and helps you to harness creative energy. This crystal can help develop inner calm and security and can help dispel negative feelings making us more accepting of the flow of events. Citrine is a wonderful crystal to have in the workplace or study environment. Powered by the Sun, Citrine warms, cleanses, and energizes. Highly protective, Citrine never needs to be cleared, making it a great tool for transmuting negative energy. Citrine heightens self discipline, attracting professional success and wealth. Great to help support the energy of a family environment at work or at home. Sunny Citrine has a joyful vibration that transmits outward to those nearby, making it ideal for any setting. Working with Citrine can help one to overcome depression, release anger, and learn effective communication skills. Citrine can activate one's imagination, bringing more creative visions to a clearer mind. It can enhance one's optimism in any situation, bringing a more positive outlook into the conscious and subconscious mind, which allows one to step into the flow of things with better results. Citrine is often credited with attracting synchronicity by opening the mind to new ideas, discerning which are most likely to succeed, allowing those to develop, and following through with them to their happy conclusion.

Product name: **Leotie**
Pronounced: Lee-o-tie
Meaning: Power of the Prairie (Hopi)
Benefits: Cleansing, Comfort, Revitalizing
Scent: **Natural** – No Scent – is great for those who are allergic to perfumes. It is also great for adding your own essential oil combination.

Crystal: **Black Tourmaline** is one of the most popular crystals used for spiritual purposes. These crystals help alleviate negative thoughts, worry, anxiety, anger and ideas of unworthiness. Black Tourmaline is very powerful and provides energy needed during challenging times. Black Tourmaline is especially useful for those who experience high levels of stress in their work or home lives. This stone helps purify the body of toxins and waste.

Product name: **Mápiya**
Pronounced: Mah-pee-yah
Meaning: Sky or Heavenly (Sioux)
Benefits: Relaxation, Calming, Aids sleep
Scent: **Lavender** - Is soothing and refreshing. It can assist the body when adapting to stress. Great for aiding sleep, yet has balancing properties that can boost stamina and energy. It is relaxing and refreshing, uplifts the spirits, and helps to relieve the distress of muscle pain. No home should be without it. Excellent for refreshing tired muscles, feet, and heads.

Crystal: **Quartz** is one of the most abundant minerals and can be found throughout the world. The largest single quartz crystal recorded was approximately 20 feet long and weighed more than 48 tons. The quartz crystal is known as the universal stone and has a pure and powerful energy source associated with it. It receives, activates, stores, transmits and amplifies energy and enhances the effects of all crystals. It helps with relaxation and has cleansing and revitalizing properties. It is believed to protect against negativity and relieve pain as it stimulates brain functions and activates all levels of consciousness. Quartz crystal is excellent for use in meditation and brings harmony to the soul. Quartz raises consciousness towards enlightenment and purifies on all levels. Known as "The Stone of Power", Quartz amplifies energy and intention. Clear Quartz is also known as the "Master Healer", with its very high vibration, making it the most versatile and powerful healing stone among all crystals. Clear Quartz is believed to protect against negativity, attune to your higher self and relieve pain.

Product name: **Otekah**
Pronounced: Oh-tee-kuh
Meaning: Sun Maiden (Navajo)
Benefits: Balance, Fortifies, Soothing
Scent: **Eucalyptus** - Eucalyptus aroma is fresh and invigorating. It has a calming effect and its rejuvenating properties can help rid mental fatigue and muscle pain. Eucalyptus can provide relief from sinus infections, flu, common cold, blocked nose and other respiratory ailments.

Crystal: **Smoky Quartz** will help stimulate cooperation of multiple energies toward a common goal. This gentle grounding stone instills balance and harmony. A very calming crystal, it helps to form a barrier against negative energy around you. Combine Smoky Quartz with Clear Quartz for lots of positive energy to help you obtain your dreams and goals. Help relieve feelings of anger and resentment. It is helpful with ailments of the hands and feet. May aid healing in the areas of back problems, alleviates pain and fortifies the nerves.

Product name: **Soyala**
Pronounced: So-yah-lah
Meaning: Time of Winter Solstice (Hopi)
Benefits: Concentration, Harmony, Balance
Scent: **Peppermint** - peppermint is able to provide relief from stress, depression and mental exhaustion due to its refreshing nature. It is also effective against anxiety and restlessness. Menthol, which is abundant in peppermint oil, helps in clearing the respiratory tract. It gives a cooling effect to the skin while nourishing dull skin and helps improve oily skin.

Crystal: **Celestite**, also known as Celestine, from the Greek word "coelestis," for celestial. This crystal brings mental calm and clarity in the midst of chaotic times. Celestite can allow you to flow through a traumatic period and still come out on top. Its ability to heighten divine intuition makes Celestite perfect for finding and maintaining inner peace. It is perfect to carry for those who are singers, actors, or speakers, as it will help to relieve stage fright or nervousness. A stone for peace and harmony, it has the potential to bring these qualities into daily living. It is a perfect stone to use during dream time. It will assist in recalling not only the dream, but also the specific details of the dream. Celestite is very fragile, and should be handled carefully. Do not keep this crystal in direct sunlight, as its color will fade.

Moisturizer & Cream

Most Moisturizers, creams, and lotions are made with alcohol, or petroleum oil bases as a main ingredient, these can clog your pores and become a collection for the pollutants, and toxins that exist in the air.

Pamea Poan is an all natural and organic facial moisturizer and hand and body cream. Both the moisturizer and the hand and body cream help feed your skin the trace minerals and elements that keep it young looking and feeling refreshed and clean with no oily buildup. We use only the finest organic and natural ingredients for our products. From the moment you use our cream and moisturizer you will feel what it is doing for your skin. For beautiful skin naturally, you will not find a better product.

Accessories

Product name: **Mineral Mud Applicator**

Benefits: Use to apply Npató Mineral Mud Face Mask & Maka Ashih Mineral Mud Salt Scrub with a fluid simplicity. Using this applicator will help eliminate the transfer of hands' natural oils which may contaminate the pure essence of the mud.

Properties: 100% Organic & Biodegradable. Toxin free packaging, applicators have been hermetically sealed from the outside world. Marvelously absorbent, soft, and gentle to the skin. Extremely durable and machine washable. Resistant to ultra violet rays preventing the growth of bacteria. Absorbs up to 10 times its weight in water, making it virtually drip-free. This is a Polyvinyl Alcohol (PVA) product derived from a structure of chemical oxides and hydro chlorides. A compound of water soluble PVA acetalized with catalyst produces a three dimensional and interconnected porous sponge that emulates natural sea sponges.
