Pamea Poan Facial Moisturizer

Product Name: Pamea Poan

Pronounced: Paw-mia Poe-n

Meaning: Moist Skin in Shashoni

Most Moisturizers, creams, & lotions are made with alcohol, or petroleum oil bases as a main ingredient, these can clog your pores and become a collection for the pollutants, and toxins that exist in the air. For Ojaván, Aloe is the main Ingredient which provides your skin with the best moisture experience available. With a name like Pamea Poan, which means Moist Skin in Shoshoni, this will become your new favorite must have product.

Pamea Poan is an all natural and organic facial moisturizer. This moisturizer helps feed your skin the trace minerals and elements that keeps skin young, refreshed, and clean with no oily buildup. We use only the finest organic, natural, and vegan ingredients for our products. From the moment you use our moisturizer you will feel what it is doing for your skin. For beautiful skin naturally, you will not find a better product.
