Essential oils are considered the first ever medicine and have been used around the world for centuries. Essential oils and other aromatics have been used in religious rituals to treat various illnesses and for other physical and spiritual needs.

Essential oils have many uses. They can be inhaled or applied on the skin, as an alternative treatment for infections, stress and other health problems. Essential oils have many uses. They can be added to a bath, diffuser, candles, perfumes, shampoo, soap, cleaning products, lotions, incense, ect. Select which oil best treats your symptoms to help aid you through your day.

Ojavan Products offers 11 Pure Essential Oils. They include the six aromas we offer in Ojavan bath salts and five new aromas: Wakanda - Clary Sage, Nova - Lemongrass, Quanah - Rosemary, Yenene - Tea Tree and Donoma - Lemon. **8ml & 18ml**

Ojavan believes the Native American relationship with **nature**, the Earth and the Universe is one of wonderment and reverence. Ojavan adheres to the beliefs and philosophies of the Native American culture and uses **natural products** for **healing** and benefiting lives. The Ojavan name and all product names have similarities and connections to Native American words and meanings. **Products are free from parabens, mineral oils, petroleum & sodium/auryl sulphate. American made.**
